cushion

Cushion, "cuscino": una parola tanto antica, come antica è la ceramica. Proprio l'unione tra le antiche arti e la sinuosità di queste linee dà vita a questa collezione, con radice nel passato ed uno sguardo all'avvenire.

The Cushion, "cushion": a word as ancient as ceramic is.

Precisely the union between the ancient arts and the sinuosity of these lines gives life to this collection, with in roots past and a look to the future.
